Dear Mr Neil Josiah

**ENGINEERING AND PLANNING SERVICES: WATER AND SANITATION:
CONFIRMATION OF CAPACITY BULK WATER SERVICES: PROPOSED AVEDIA
POWER GENERATION FACILITY: SALDANHA**

Your recent query regarding the bulk water capacity for the proposed Avedia power generation facility at Saldanha has reference.

As per your recent correspondence regarding bulk water requirements for the proposed development, you have indicated a maximum Average Daily consumption of up to **2 000 m³/day**.

I hereby confirm that there is sufficient spare unallocated Bulk Water capacity to service the proposed development.

Should you require additional information please contact G Williams 022 701 7113.

Yours sincerely,

.....
