Subject: Environmental Application: Strategic Infrastructure Projects

Good day,

We are currently compiling an application for environmental authorisation for an energy consortium who will be bidding to be included under the Risk Mitigation IPP Procurement Programme for new generation capacity, (as advertised by the DMRE) for the development of a gas to energy project in Saldanha, Western Cape.

It is understood that SIP 9 is applicable to the project:

SIP 9: Electricity generation to support socioeconomic development
Accelerate the construction of new electricity generation capacity in accordance with the IRP2010 to meet the needs of the economy and address historical imbalances. Monitor implementation of major projects such as new power stations: Medupi, Kusile and Ingula.

It is further understood that "confirmation of SIP applications from the relevant sector representative" needs to be provided to the Department and attached to the application form.

Please could you advise on how to achieve this and who to contact in this regard?

Windows taskbar showing various application icons and system tray with time 12:47 PM.

Dear Claudette,

You need to contact the SIP coordinator from the PICC to obtain proof of the SIP.

Unfortunately we do not have contact details of the SIP coordinators.

Regards

EIA Applications
Integrated Environmental Authorisations
Department of Environment, Forestry and Fisheries

Please note that this email is for the receipt and processing of online applications only, and is not monitored for responses. All queries must be directed to EIAAdmin@environment.gov.za.

You are advised that this mailbox has a 48 hour response time.

Please note that this mailbox has a 5mb mail limit. No zip files are to be attached in any email.

Hi L,

Please can you help investigate the below...

We are needing proof that the Assegai Project qualifies as a Strategic Infrastructure Project (SIP) nr. 9. This we can get from the SIP-9 coordinator but we have no idea who this is???

I think the best place to start is to phone the Economic Development Department as they administer SIPs, and ask them to direct you to the right person.

(read the below mails for more context).

xC

Good Day

I trust this email finds you well.

I please need your assistance.

As you can see in the emails below, I am needing to get the **contact details of the SIP – 9 coordinator ASAP.**

Please see emails below for more context.

Please kindly assist.

Kind Regards,

Good day Laila,

As the project is currently still under procurement. Once the DMRE has made determination on the successful bidders we would be happy to support on any request required for confirmation of projects as a SIP.

Regards,

Tshepo
