Dear Mr. Toefy

Please find attached the NOI for the abovementioned proposal. There is a wetransfer link included here: <https://we.tl/t-SnXUykoIQ2> to download the full version with Appendices.

Kindly advise on the approach to specialist studies as indicated in the NOI.

With respect to public participation, there is a recommended approach for an initial BID distribution included in the attached letter for consideration by the Department. A further public participation plan would be forthcoming at a later stage, or as required by the Department.

Please do not hesitate to contact me with any queries.

Warm regards
