NOTIFICATION OF PUBLIC PARTICIPATION PROCESS AND AVAILABILITY OF THE DRAFT SCOPING REPORT FOR PUBLIC REVIEW AND COMMENT AS PART OF SCOPING AND EIA PROCESS FOR THE PROPOSED EXPANSION OF THE KHULANI ENERGY AND PLANT MAINTENANCE FACILITY, ERF 798, BLACKHEATH, CITY OF CAPE TOWN

DFFE Reference number: 12/9/11/L250722125434/9/N/Khulani Energy Waste Management

Date: 24 July 2025

Dear Sir / Madam

Notice is hereby given of a Public Participation Process (PPP) in terms of the 2014 EIA Regulations (as amended) as contemplated in Section 24(5) of the National Environmental Management Act, 1998 (Act No. 107 of 1998) (NEMA) as well as the National Norms and Standards for the Storage of Waste, as promulgated by the National Environmental Management: Waste Act (Act 59 of 2008). This letter serves as notification of the project, your opportunity to register as an Interested and Affected Party (I&AP) and to advise that the Scoping Report and related documentation is available for a 30-day public review period from **25 July 2025 to 25 August 2025**.

The Khulani Energy and Plant Maintenance Company is proposing an expansion of the existing facility. The proposed expansion will necessitate additional infrastructure and processing capacity to accommodate increased volumes of waste material.

The expanded facility will provide the following waste management services:

- Collection and transport of wastewater and waste oil;
- Treatment and disposal of wastewater and waste oil;
- Sludge removal;
- Wastewater disposal sump and drain cleaning;
- 24-hour spill response services; and
- Installation and maintenance of machinery, including pump services, pump installation, and welding.

The proposed expansion of the waste management facility aims to provide wastewater and waste oil treatment processes while ensuring compliance with environmental regulations. The waste handled by the facility constitutes hazardous waste and the expansion will require a Waste Management License due to increased hazardous waste processing capacity.

The development proposal triggers the following listed activity in terms of the National Environmental Management Waste Act, 2008 (Act No. 59 of 2008) requiring a Scoping and EIA process to be undertaken to obtain environmental authorisation from the Competent Authority, the Department of Forestry Fisheries and Environment (DFFE): Waste Management.

Application for a Waste License (in terms of the National Environmental Management: Waste Act, 2008 (Act No. 59 of 2008)) is being made for the following listed activities:

NO. & DATE OF THE RELEVANT NOTICE:	ACTIVITY NUMBERS (AS LISTED IN THE WASTE MANAGEMENT ACTIVITY LIST) :	LIST EACH ACTIVITY AS PER THE RELEVANT NOTICE
